

# LESSON: Bootcamp Next Steps

## Summary

In this lesson, learners will prepare to complete the Bootcamp and discover the exciting opportunities ahead of them. During the lesson, learners will review the Bootcamp completion requirements, including courses and career outcomes. Additionally, learners will be presented with additional courses and certifications they can access if eligible. The lesson concludes by answering questions learners might have regarding the end of the Bootcamp.

## Objectives

- Complete the end-of-course survey.
- Review the Bootcamp completion requirements.
- Describe the additional courses and certifications available.

## End-of-Course Survey

Begin the lesson by requesting that learners log into Canvas and complete the end-of-course survey for course 8. Encourage learners to provide honest and constructive feedback about their learning experience. Completing the survey is mandatory.

## Course Completion Requirements

Remind learners to verify they have completed all the courses. Review the completion requirements with them:

- A minimum grade of 70% in each course throughout the program to be eligible for the Bootcamp Certificate.
  - Learners can verify this by reviewing their course averages.
  - Each course grade comprises the checkpoint quizzes (40%), discussion boards (40%), and final assessment (20%).
- At least 80% attendance and participation in each course throughout the program.
  - Learners can contact their SSM if they need to review their attendance.
- Full payment of all outstanding tuition amounts.

## Career Outcomes Requirements

Review the Career Outcomes requirements:

- Approved resume (grade of 70% or higher). This means having their resume approved through Canvas.
- At least one 1:1 coaching session with their Career Coach.
- Actively applying to 10 or more jobs a week.
- Registered for the ThriveDX job search Huntr platform and filled out their profile.

If learners haven't completed all the requirements, encourage them to start by working on their resume and submitting it to Canvas within the next 48 hours.

Remind learners that they can access their Career Outcomes resources and assignments in Canvas.

## **Career Outcomes Continued Support**

Explain to learners that after successfully completing the Career Outcomes requirements, they will receive continued support in the following areas for six months following completion of the program:

- Resume/Linkedin review and feedback.
- Career Outcomes events.
- Career coaching.
- Employer engagement access (only eligible when prerequisites are met).

## **CompTIA Security +**

Explain the CompTIA Security+ certification and its reputation in the cybersecurity professional world.

- Eligible learners (who meet grading requirements and have no outstanding payments) will receive access to an eight-week CompTIA Cert Prep course in Canvas.
- Upon completing the Prep course within 90 days and with a minimum grade of 70%, learners will receive a complimentary voucher for the CompTIA Security+ certification.

Learners can contact the Student Success team for extensions or any clarification.

## **AWS Pathways**

Explain AWS certifications and their reputation in the cybersecurity professional world.

- In three weeks, eligible learners (who meet grading requirements and have no outstanding payments) will receive an email invitation to the Cloud Foundations Course from AWS Academy.
- Upon completing the course within 90 days, learners will be eligible for the following benefits:
  - A badge of completion.
  - Access to the AWS Emerging Talent Community.
  - Access to complementary cert prep material.
  - Access to discounted vouchers.

## CertNexus

Explain CertNexus certifications and their reputation in the cybersecurity professional world.

- All learners that completed the Bootcamp will receive a 20% discount on CertNexus certifications and prep materials.
- There is no expiration date for the discount.
- Discount code: **THRIVEDX20**
- Products included in the offer:
  - CFR-410 EXAM VOUCHER - CFR-410 Exam Voucher
  - CFR-410 DIGITAL STUDY GUIDE - CFR-410 Digital Study Guide
  - CFR-410 DIGITAL STUDY GUIDE & VOUCHER - CFR-410 Digital Study Guide & Voucher
  - CSC-210 EXAM VOUCHER - CSC-210 Exam Voucher
  - CNX0032SGE - CSC Digital Study Guide
  - CSC DIGITAL STUDY GUIDE & VOUCHER - CSC Digital Study Guide & Voucher

## Questions

Encourage learners to ask questions about the topics discussed during the lesson. Remind them of their usual communication paths to request assistance or clarification.
